

Qualifications, Experience required, and other Information for Application

Position: Associate Professor (Accounting)

The School of Business Administration at Eastern University is one of the leading institutions among the private universities renowned for business education of the highest quality to the students and practitioners. Here, students find a great blend of theoretical knowledge with practical knowledge and become equipped with the knowledge, tools and techniques ready to contribute to the success of their employers right from the beginning. It is not surprising that you will find Eastern University business graduates are found in leading and senior positions of major business organizations in the country.

In 2015, in order to prepare our expanding enrolment for BBA, MBA and Executive MBA students, we have taken steps to raise our faculty strength in number and also to include faculty members with doctorate degrees from the developed countries, particularly, USA, Canada, UK, Western Europe and Australia. Students become proficient in using advanced technology and many of the classes utilize case studies extensively. Students appreciate that learning is not just about theory, it needs to be applied in the real world and they do get applied in the real world.
