Qualifications, Experience required, and other Information for Application

Position: Librarian

Since its establishment in 2003, Eastern University has developed a modern, fully automated library to support its teaching, learning, and research needs. Powered by the KOHA Integrated Library System, the library offers online borrowing, catalogue searching, material reservation, full-text e-resources, email alerts, and remote access to user accounts.

The library provides more than **36,470 online journals** and **22,200 e-books** from 10 major international databases. It follows the Dewey Decimal Classification (DDC) system for efficient resource management and maintains round-the-clock CCTV surveillance for security.

Eastern University now invites applications from qualified and experienced professionals for the position of **Librarian**, who will lead and enhance the library's services in support of the university's academic mission.

Education Qualification and Experience: Ph.D./ M. Phil. / Master's in Library Science from a recognized university. 18 years, of which 10 years' experience as Deputy Librarian or equivalent position. Preference will be given to candidates at the Professor level who hold a Ph.D. and have experience in a Librarian position at public or private universities. Experienced Professor will be given preference.
